## Extra

From time to time I will put out an "EXTRA" issue of the Padres Trail as news becomes available while it is still fresh.

These will be sent out only by e-mail and will be put on the web site as well. So we invite you to print out a copy for those who don't have e-mail in your Fraternity. Only the four quarterly issues will be printed out to be sent to those who don't receive e-mail.

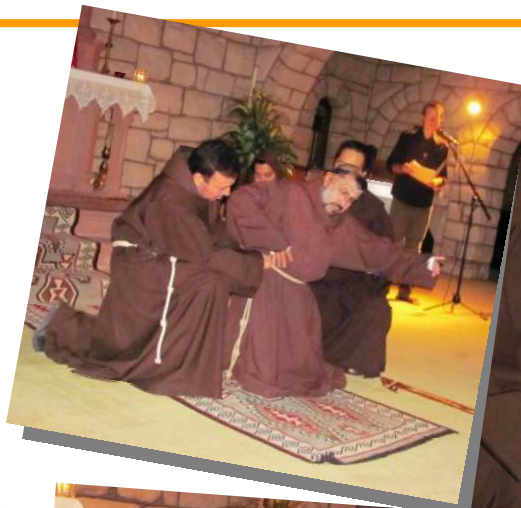

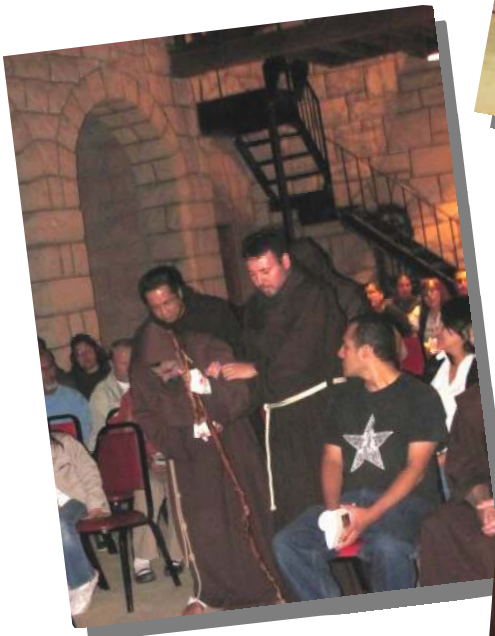

We hope to have the latest issues on the web soon. We've had a little problem because the files were converted into too big a format. Be patient with us. We are learning! Joe Nelson, editor

# CANONICAL ESTABLISHMENT OF SAGRADO CORAZÓN DE MARIA FRATERNITY

By Graciela Rocha, SFO, Minister

Thanks be to God! In the beautiful little Chapel of St. Anthony's Seminary, 4601 Hastings, El Paso, Texas, on September 10, 2011, at 6:00p.m., after a long, eight year wait, a solemn Mass was celebrated by Fr. The Regional Minister, Christine Imislund, SFO, and the **Regional Vice-Minister, Cathy Pierce, SFO**, were also present at this most wonderful and blessed event, as well as brothers and sisters from other fraternities in El Paso.

After the Mass, all participants at this unforgettable event gathered in the seminary's dining hall to enjoy some light dishes prepared by Sagrado Corazón de Maria Fraternity members. A beautiful framed picture with the image of our Lady, Sagrado Corazón de Maria, was given as a gift to the newly established fraternity by the SFO members of Mary Immaculate Fraternity. Many, many thanks to everyone who was able to be present with us for this magnificent establishment ceremony. **MAY GOD BLESS YOU ALL!** [This article and these pictures submitted by Larry S.]
